All instructors, directors and counselors are either New Jersey Certified Teachers or working performing arts professionals. Our outstanding faculty have appeared in thousands of shows collectively. Most have directed/taught in the performing arts on all age levels and for many years. For more information on our faculty, please see website: BrightestStarSchoolOfPerformingArts.com

Outstanding staff to camper ratio: 1:4

Brightest Star Summer Musical Theatre is a "triple threat" program designed to fully educate campers in the musical theatre genre. Students will receive daily classes in voice, acting and dance, as well as lessons in technical theatre, character development, costuming and story-writing. Previous experience is not a pre-requisite. No audition required.

All students are featured in the big show at the end of the program.

Great attention is given to safety and security at all Brightest Star camps.

Our scholarships are available thanks to our generous donors. Auditions for these merit scholarships are held on March 3 and pre-registration is required through the website. These are merit-only scholarships and the decision of the judges is final. Auditions are not required for admission to our programs.
